Dear members, volunteers, supporters and friends,

Before the fun of Christmas we have the 'fun' of our AGM to look forward to on 6th December. At the meeting there will, of course, be some formalities, but we really do try to make it a friendly and informal occasion. It is also a great way to meet up with other members and have your say about the charity. If you can come along it will be great to see you. If you are not a member and would like to attend there is still time to join up and you can do that easily online. Looking forward to seeing as many of you there as you can.

Kind regards,

Stan Stewart, Chairman

ANNUAL GENERAL MEETING

Just to let you know that AWB will be holding our AGM on Saturday 6th December at 1400 at the Hilton London Heathrow Airport Hotel, Terminal 4, Heathrow Airport, Hounslow, TW6 3AF.

Attendance is restricted to members and invited guests but if you would like to come along and have your say there is still time for you to join us

by becoming a member. You can do so online on our website: [please click here](#)

Are you a budding journalist?

Would you be interested in becoming one of our social media volunteers? Helping to raise AWB's profile? You could help us by sending tweets and

posting on Facebook to coincide with AWB events. We would help by giving clear guidelines on how, what and when to post. Don't worry if you are a novice, training is available. To learn more, please contact lisa@aviationwithoutborders.org.

AIRCRAFT OPERATIONS

The situation in the Central African Republic is still up and down and last month flights had to be suspended for two weeks or so when fighting broke out in Bangui. The capital city is now calm so operations have been resumed. There is still great need in the region and NGOs operating there are grateful for our assistance so our order book is full. We will of course keep you updated with operations news in our regular newsletters.

THE UNSUNG ACTIVITY OF CARGO SHIPMENTS

Over the last month or so we have shipped by air for [Lifewaterkits](#) three loads of life saving water purifying kits to Accra, Ghana, Dar-es-Saalam, Tanzania and, as part of Lifewater's three year Uganda 1000 project, a large load to Entebbe, Uganda.

Cargo shipment is unglamorous work, but to the people these shipments help, we're sure you will agree, it's vital, and we are proud to be involved.

ALWAYS FANCIED THE LONDON MARATHON - BUT NEVER MANAGED TO GET A PLACE?

Now is your chance! You could help us to help others.

AWB is very lucky to have one much coveted charity place for next year's London Marathon being held on **26th April 2015**

We are always looking for sporty (or not so sporty!) types to run for us in sponsored events. **Are you up for the challenge?**

If you are, get in touch quickly, we need to register our runner by 5pm on 6th February.

Now is a perfect time to make that decision and get your running shoes on!
